RISMEDIA, Jan 30-With the Super Bowl this weekend, it's a perfect time to remember some quotes from one of the most famous pro football coaches, Vince Lombardi. **TEAMWORK** "Individual commitment to a group effort-that is what makes a team work, a company work, a society work, a civilization work." "Teams do not go physically flat, they go mentally stale." "Teamwork is what the Green Bay Packers were all about. They didn't do it for individual glory. They did it because they loved one another." "People who work together will win, whether it be against complex football defenses, or the problems of modern society." "The achievements of an organization are the results of the combined effort of each individual." **WINNING** "Success demands singleness of purpose." "Some of us will do our jobs well and some will not, but we will be judged by only one thing-the result." "Winning is not a sometime thing: it's an all the time thing. You don't win once in a while; you don't do the right thing once in a while; you do them right all the time. Winning is a habit. Unfortunately, so is losing." "Winning is not everything--but making effort to win is." "It's easy to have faith in yourself and have discipline when you're a winner, when you're number one. What you've got to have is faith and discipline when you're not yet a winner." "I firmly believe that any man's finest hour, the greatest fulfillment of all that he holds dear, is the moment when he has worked his heart out in a good cause and lies exhausted on the field of battle-victorious." "If I hold it for a minute, that's not a problem. If I hold it for an hour, I'll have an ache in my right arm. If I hold it for a day, you'll have to call an ambulance. In each case, it's the same weight, but the longer I hold it, the heavier it becomes."

He continued, "And that's the way it is with stress management. If we carry our burdens all the time, sooner or later, as the burden becomes increasingly heavy, we won't be able to carry on. As with the glass of water, you have to put it down for a while and rest before holding it again. When we're refreshed, we can carry on with the burden."
